

Ingrid's Back!

INGRID'S BACK! CLUES. COPYRIGHT (C) 1988 LEVEL 9 COMPUTING

This clue sheet starts with alphabetical lists of things from each of the three parts of "Ingrid's Back!"

Each part has General Hints, Objects/Creatures/People, and Places. Look down the appropriate list to find what you want to know about, then turn to the entry whose number follows, in brackets.

If you want to find something, use the number after "where". For details of it, use the number after "dtl" (details).

For example, if you want to find out about the Petition in part 1, look at its entry, 91. For details, look up the number after "dtl" and turn to entry 702. This gives some information and refers you to 526 for more.
